

# **Kankoko Management System – Updated Terms of Service**

This updated version includes clarifications on pricing tiers, data migration, and system management services offered by iKhosler Solutions.

The Kankoko Management System is available under a three-tier model:

- Regular Package: UGX 300,000 onboarding fee. Includes attendance management.
- Silver Package: UGX 450,000 onboarding fee. Includes attendance and fees management.
- Gold Package: UGX 700,000 onboarding fee. Includes attendance, fees, and exam performance management.

Schools with fewer than 5,000 students are charged UGX 250,000 per term as system management fees, while schools with 5,000 or more students are charged UGX 350,000 per term.

A one-time data migration or setup service is available at UGX 50,000 if performed by iKhosler Solutions. Alternatively, the school may perform its own data entry under admin guidance.

All pricing and service terms are subject to periodic review in line with market trends, infrastructure costs, and client feedback across East and Sub-Saharan Africa.
